

WOMEN'S TRANS NATIONAL GOLF ASSOCIATION

A Tax-Exempt Nonprofit Organization

Media Release

FOR IMMEDIATE RELEASE

June 1, 2012

And now the sad news...Bobbi Hopp, Nebraska Trans State Representative, won her battle with breast cancer 15 years ago...but she could not conquer cancer of the liver that was discovered just a few months ago.

The Trans extends our sympathy and prayers to her family and she knows how thankful we were to have her as one of our faithful representatives for many years.
